Health History Form for Child Attending Day Program

Based on reporting standards of the American Camp Association and the American Academy of Pediatrics

The information on this form is not part of the student acceptance process, but is gathered to assist us in identifying appropriate care. Any changes to this form should be provided to the Program Director upon participant's arrival in the Program. Please provide complete information so that the Program can be fully aware of your child's needs.

MEDICATIONS BEING TAKEN

Please list ALL medications (including over-the-counter or non-prescription drugs) taken routinely. Bring enough medication to last the entire time at the Program. Keep it in the original packaging/bottle that identifies the prescribing physician (if a prescription drug), the name of the medication, the dosage, and the frequency of administration.
